

普通旅客運賃表 (IC)

京浜急行電鉄株式会社

平成26年4月1日現在

Table with 98 columns and 98 rows, listing station names and fare values. The table is a lower triangular matrix where the diagonal represents the fare from each station to itself (all 0), and the upper triangle represents the fare from the station in the row to the station in the column. Station names are listed in the first column and first row.
